Wesley Campus Ministry has created a residential community influenced by our Christian faith. Our residence hall can provide housing for up to 40 student residents. We have one floor for women, one floor for men and one floor of common spaces with study rooms, a fully equipped kitchen, a prayer room, and TV/rec room. Wesley is open to undergraduates and graduate students who are looking for a caring living situation. You will have the opportunity to enjoy worship and Bible study where you live and save hundreds of dollars a semester. Wesley is a place where you will make friendships that will last a lifetime.

For 2023-2024 our resident fee is \$2000 per semester. However, there is a \$200 discount (10%) if you pay your fees by the first week of class.

If you are a United Methodist Student, ask about the Wesley Ice Fellowship, which can reduce rent by an additional \$1500 a semester!!! That means you could live at Wesley for \$500 a semester! (No early discount, 10 fellowships available, first come first served!)

FRESHMEN ARE ALLOWED TO LIVE HERE! If you have questions, contact us at Kstatewesley@gmail.com or call us at 785-776-9278 or visit Kstatewelsey.com.
