Our United Methodist Campus Ministry is offering summer housing options. We hope to accommodate a variety of short-term housing needs of the university community. We have a total of fifty (50) beds available. Here is our summer rate schedule per person:

- Daily youth rate (under age 19) is \$15 per night per person

Our rates include single and/or double rooms, triple, and quadruple dorm-style rooms. Each room has an extra long twin bed, dresser, desk, and wardrobe for each resident. Residential rooms are available on the second and third floor. There is a common restroom on each floor. Our second and third floors are not currently handicap accessible. However, there is one handicap accessible resident room and restroom on the first floor.

Basic utilities include water, electric, internet access, on site laundry, and basic cable among televisions in common areas. Our student center also features a newly renovated community kitchen on the main level of our building and a small kitchenette on the first floor of the residence hall. We also have off street parking for thirty-nine (39) vehicles.
